

NORTON HOUSE

HOTEL & SPA

EDINBURGH

Lounge Food Menu

Welcome to Norton House Hotel & Spa. Built for pleasure by Alexander Berwick in 1840, we continue that tradition to this day. Norton House was later owned by the renowned Usher family, who as pioneers of blended whisky became one of the greatest whisky producers of the 19th century

. Converted to a hotel in the 1950's, we are now part of the Hand Picked Hotels Collection.

Relax and enjoy **Afternoon Tea** in the drawing room or indulge in a **Cocktail** or two in the conservatory lounge. Take your time and unwind with a glass of **Champagne** before dinner and explore our extensive list of **Whisky** and **Cognac** after dinner.

Good food is the essence of Norton House. Experience exquisite cuisine in our three AA rosette award winning restaurant **Ushers** or enjoy a relaxed meal in the **Brasserie**.
