One of the stars of the list is Bruno Paillard, the dynamo behind one of the region’s youngest Champagne Houses. Grapes are sourced from high-quality Crus and only the first pressing is used. A cool and dry climate in 2006 sealed the destiny of this exceptional vintage.
When two old friends, Nicholas Coates and Christian Seely, came across the chalk-rich Wooldings vineyard in the North Hampshire Downs, their plan was simple: use traditional Champagne methods alongside cutting-edge winemaking technology to reflect the unique terroir of this corner of southern England.
